Neighbours Aid Ltd. is a not for profit organisation established to provide support for some of the world's most disadvantaged children.

BEQUEST INFORMATION

LEAVE A LASTING GIFT

Martin Luther King once said, "Life's most persistent and urgent question is, what are you doing for others?"

Every day our supporters

contribute in so many ways, volunteering, sponsoring, donating, mentoring and advocating. All of these actions impact some of the most vulnerable in our world. At the close of 2018 we are supporting over 2000 children and their communities in Malawi, Kenya, Israel, India and Fiji. Neighbours Aid also employs over 200 local people in the communities in which we work.

Making a bequest is another important way of contributing to the ongoing success of our projects. Even a small amount bequeathed makes a huge on going difference to many lives. Just a small percentage left to us in your Will helps us change our world. It's a gift that brings hope and a future to many. Our goal is to build up the capacity of our partners so they can develop sustainable ways of supporting their most vulnerable children.

If you have chosen to remember Neighbours Aid Ltd. in your Will, or if you are considering it, I thank you. Your generosity is greatly appreciated and it will give hope and a future to the next generation.

Neighbours Aid Ltd. CEO John O'Hara

WHAT DO WE DO?

Neighbours Aid Ltd. was created to empower communities in developing nations to reach their potential through education, medical care, capacity building, food production and the development of sustainable projects. Neighbours Aid works with local people to tackle the root causes of poverty and injustice in order to provide a sustainable future for all people regardless of race, religion or gender. Our funds are primarily raised through our opportunity shops, child sponsorships and donations.

OUR PROJECTS

Neighbours Aid funds development projects in Malawi, Kenya, India, Israel and Fiji, giving some of the poorest people in the world opportunities for a brighter hope filled future through education, health care and vocational training. Your bequest will ensure that your heart for the world's poor lives on through the lives you have touched.

WHAT IS A BEQUEST

Someone once said that no one really dies if their legacy lives on in the lives of those they have helped. A bequest provides an amazing opportunity to leave a legacy that will live on long after we have passed from this earth. A Bequest is a deeply personal way that you can support our work, and for some it is an opportunity to make a gift that you may not otherwise be able to make during your lifetime.

THE BEQUEST PROCESS

The process of including Neighbours Aid in your Will is straightforward. If desired, you can even nominate where and how you would like your gift to be used. The first step is to decide which type of bequest you want to include.

A Residuary Bequest

A gift of all or a percentage of what is left in your estate once your loved ones and expenses have been taken care of.

A Specific Bequest

A gift of a particular item of property or a specific dollar amount that you would wish to leave to Neighbours Aid.
